PROJECTS

Blink Shilink Eyewear

Aug 2024

Ecommerce Website

- Built an E-commerce website for Blink Shilink Eyewear using **HTML, CSS, JavaScript, jQuery, MySQL, and PHP.**
- Streamlined product management and customer transactions, resulting in a **45%** increase in online sales within the first three months.
- Improved customer engagement by **30%** through an intuitive user interface and enhanced shopping experience.

ILMA University

Aug 2024

Autonomous Surveillance Bot Car

- Designed and developed an autonomous surveillance bot car using **Python, OpenCV,** and **C++**.
- The project achieved an **85%** detection accuracy by integrating Ultrasonic sensors and **YOLO** object detection models, reducing the cost of manual surveillance by approximately **45%**.
- This solution can be adapted to enhance home security systems through automated monitoring and real-time alerts.

Amzworld LLC

Dec 2023

Amazon FBA Automation

- Automated the updating of Google Sheets using Python and Amazon API, leading to a daily time savings of **125 minutes** and a **15%** reduction in operational costs.
- The project demonstrates proficiency in automating tasks, which is transferable to developing automated home systems.

Hypertex Hosting

Sep 2023

WordPress Website

- Developed a responsive website for Hypertex, a hosting company, using **WordPress**.
- Enhanced the website's design and functionality, leading to a **50%** increase in sales of their hosting packages within the first four months.
- Improved user experience and mobile accessibility, boosting customer retention by **35%** and reducing bounce rates by **20%.**

EDUCATION

ILMA University

Sep 2024

Bachelor of Science in Software Engineering **CGPA 3.5**

- Computer Vision
- Digital Design Logic
- Programming fundamental

G.D.B.C

Intermediate Pre-Engineering

SKILLS

Programming Languages: HTML, CSS, Python, Javascript, Jquery, php

Tools: Git, Google Collab

Framework: Django, Bootstrap, WordPress

Database: MySql

Additional Skills: Computer Vision, Machine Learning, API Integration

CERTIFICATIONS

- Python programming (**Kaggle**)
- Intro to SQL (**Kaggle**)
- Intro to Machine learning **(Kaggle)**
